Local Church Sponsoring Dutch Family

Under the Refugee Act of 1953, Congress allowed 28,000 refugees to come to America providing they had sponsors, someone who would provide them with a home and a job. The First Christian Church of Torrance offered to sponsor a family and chose the Dirk Rijke family consisting of Mr. and Mrs. Dirk Rijke and their children, Reiner, age 14, Wilhelmina, age 13 and Dirk Jr., age 3.

This family was chosen because the committee felt that with all the "new growth" in Torrance—a family with young children would "fit into" the community, and also because Rijke is an expert tool and die maker.

The Rijkjes came from Rotterdam, Netherland and are due in Torrance late this week coming by train. They will live on Park St., in Waverly and the Resettlement Committee of the church is busy gathering furniture for them.

Different groups in the church are providing household items and stocking the cupboard, while the young folks are providing clothes for the children.
